Since 1976, Indoor Billboard has provided our customers with the highest quality products coupled with competitive prices, and outstanding service. We are the largest rental mat company in the Pacific Northwest, serving customers from our facilities in Portland, Oregon and Seattle, Washington.

In addition to rental mat service, Indoor Billboard distributes restroom products such as paper hand towels, tissue, soap, mops and towels. Today, we are the largest distributor of center pull towels and tissue on the West Coast. We have added warehouses in Orange County and the Bay area of California, as well as our Portland and Seattle offices.
