

Tork® Soap Dispensing System

Tork® Soap System

**A Variety of Soap Products –
For Every Environment**

- Portion-controlled dispensing
- High-capacity, one-liter bottle
- Mild PH balance

Tork® Soap System

Tork Soap System Ensures Hygienic Quality and Efficient Performance

Our winning combination of Tork Soap dispensers with a variety of soap products provides you with many choices for hygienic quality in high-use workplaces and restrooms. In addition, the Tork Soap System can save you money!

- Portion control – The Tork pump system dispenses only one milliliter of soap every time.
- High capacity – The one-liter bottle permits 1,000 hand washes before needing a refill.
- Unique pump – Innovative technology prevents the dispenser from dripping or clogging.
- Arm lever – Patrons can use their elbow to dispense soap for optimal hygienic use.
- High-quality soap – Soap products are available for various applications.

Tork Soaps Treat Hands Gently

- Mild soap for sensitive and frequently washed hands.
- PH-balanced formula.
